## **Employee of the Month**

January's Employee of the month was Amie Salvhus. She was chosen by her co-workers for the title of "**Positive Attitude.**"

TEAM members had the following to say about her:

Kylie Kautzman is always on top of everything; very observant, very pro-active and preventative - - problem solving with school-age children. She's always willing to stay to the end of day - supportive of co-workers. Kylie is an amazing co-worker and teacher. She is very responsible and great with the school-agers. She has great management/control with the school-age children. Kylie's a dedicated, committed teacher - always here (and on time). She developed relationships with children, parents, and Spectrum co-workers.

**GREAT JOB Kylie☺!**
